Information for Suppliers of Fish to Jr Fenix Food Trading and Stockholm World AB.

In order to ensure that Jr Fenix Food Trading and Stockholm World AB do not sponsor the war against Ukraine and also in a positional reason, we demand that no raw materials of Russian origin, handling or in any way that can benefit an economic advantage for Russia, we demand that these points are met in order to be a supplier to the above companies:

- Documents on the fishing boat for each batch of fish can be presented. (Catching certificate)
- Supplier guarantees that no Russian raw materials or services are available in the raw materials sold and delivered to Jr Fenix Food Trading and Stockholm World AB.
- Certificate that products delivered to Jr Fenix Food Trading and Stockholm World AB do not use Russian raw materials, Russian services or otherwise support the war in Ukraine.
- Of course, the above requirements also apply to processed products such as breaded, shortbread or other further processed products.

By signing this document, you certify that the above requirements are met.
